

## KAARNA RECOMMENDS

*We have tested the summer menu with Kaarna's staff and here are our favorites and suggestions.*

*Would you like to start with a taste of the house bread for the whole table before the choices are made? You shouldn't miss the tartare - it has quickly become a classic. Rosé Prosecco or frosty Heineken are suitable for drinks. Or choose champagne, which brings a touch of festive feeling to the archipelago summer.*

*For the main course, we recommend sharing pinsa. Order several flavors and drink with the pinsa we recommend Pinot Grigio or Laroche Rosé.*

*All our desserts are delicious and tasty. We recommend, for example, Hungarian Tokaji dessert wine as a side.*
